DM Contemporary is thrilled to present *The Summer Show 2017: This one's for you! Dedicated to women everywhere* - a group exhibition featuring recent works of twenty-three gallery and invited artists. This year's Summer Show will, as in the past, showcase the wide range of styles, approaches, and media that the gallery supports and incorporates within its program, however, it's main focus will be women – not in the sense that all of the exhibiting artists will be women, but instead, the works exhibited will center on women, including but not limited to issues relating to women politically, economically, sociologically, and psychologically. In a year where women's rights seem to hang precariously in the balance, the artists' interpretations of the theme, inspire us, surprise us, and in some cases teach us something new. The show opens on June 16th and remains on exhibit through September 16th, 2017, with an opening reception for the artists on Friday, June 16th from 6:00 until 8:00 pm.

RSVP to info@dmcontemporary.com is kindly requested for those wishing to attend the opening reception.

Gallery summer hours are Tuesday - Friday 12 - 6 pm, Saturday 12 - 4 pm; closed Saturday, Sunday, and Monday.
